

September 2009

Welcome Math 10 Parents,

Your son/daughter is currently enrolled my Grade 10 Mathematics class. He/she has been given a course outline indicating my expectations for my classroom, details regarding the topics covered, and the evaluation scheme. This outline is also available on my webpage <http://www.horton.ednet.ns.ca/staff/fuller/index.htm>

along with other useful information. Due dates for assignments and dates for quizzes & tests will be posted regularly. Marks will also be accessible online and you will need to ask your son/daughter for the login information. If for some reason he/she is not forthcoming with the necessary information, please contact me.

I hope that you will be able to attend the Parent-Teacher Information Night that will be held on Thursday, September 10. Mid-semester reports will be sent home on Friday, November 13 followed by Parent-Teacher Visitation on November 19 & 20. Semester 1 reports will be sent home on Thursday, February 11, 2010. If you have any questions or concerns throughout the semester, please contact me via e-mail (preferred) or telephone and I will get back to you as soon as possible.
