

September 2011

## Welcome Physics Parents,

Your son/daughter is currently enrolled in Grade 11 or 12 Physics. He/she has been given a course outline indicating my expectations for my classroom, details regarding the topics covered, and the evaluation scheme. This outline is also available on my webpage <http://www.horton.ednet.ns.ca/staff/fuller/index.htm> along with other useful information. Due dates for labs & assignments and dates for quizzes & tests will be posted regularly. Marks will be accessible online and you will need to contact the administration office to get login information for our new iNSchool system.

I hope that you will be able to attend the Parent-Teacher Information Night that will be held on Thursday, September 15. Mid-semester reports will be sent home on Thursday, November 17 followed by Parent-Teacher Visitation on November 24 & 25. Semester 1 reports will be sent home on Thursday, February 16, 2012. If you have any questions or concerns throughout the semester, please contact me via e-mail (preferred, if possible) or telephone and I will get back to you as soon as possible.

e-mail: [kfuller@horton.ednet.ns.ca](mailto:kfuller@horton.ednet.ns.ca)

school telephone: 542-6060

Sincerely,

Kathy Fuller
