**Self in Context Reflection**                    Name:

Describe what you intended your scene to be about?

Can you identify the principle of design that dominates the image? (Circle one)
*Contrast      Symmetry      Asymmetry    Emphasis*
*Proportion    Variety        Rhythm        Pattern*

Please identify and <u>discuss three areas</u> of this project where you succeeded or found strengths in what you can do in drawing, painting or inventing new ideas.

i.

ii.

iii.

What is <u>an area</u> where you found weaknesses in your abilities and how do you think you could improve this?
