

Dearest Parents of fantastic kids... that means you!

On Monday January 20th, 2003, over 200 HHS students have the opportunity to see a private screening of Michael Moore's *Bowling for Columbine* (www.bowlingforcolumbine.com) at the Empire cinemas in New Minas. This is a great opportunity to experience a powerful documentary about youth and violence in North America. The movie is rated AA14 and does have controversial subject matter, images of war, and some course language.

The first 215 students who pay their \$8.00 bus and movie fee, along with a signed permission form, will be selected to attend this day trip. We plan to depart from Horton at 12:25, returning for 3:20. If this date or times change, you will be notified.

It is recommended that students either bring a packed lunch or money to buy lunch (that is if the theatre has its food services open).

If you have any questions or concerns, contact me at 542-6060 or by email: psyme@horton.ednet.ns.ca.

Sincerely,

Paul Syme

Initials: _____ I expect that, while on this trip, teachers and chaperones will act responsibly and do all that is in their power to look out for the safety of my son or daughter. I also recognize that, like any trip, students will face risks of injury (e.g. from traffic) and that the neither the chaperones, organizer, school, the AVRSB, or the Department of Education assumes responsibility for any injury that may occur on the way to or while in the city.
