

Poetry Website evaluation – English 12

NAME: \_\_\_\_\_ CYCLE: \_\_\_\_\_

**Content**

Interesting, readable, logical, perceptive, clear; coherent structure gives a sense of completeness.

Information is original, not predictable.

Work is free of spelling or grammatical errors

/10

**Technology**

Are the links clearly marked?

Can you navigate the website easily? (web vs. linear)

Does the site use frames? If so, do they serve a useful function for the site? Does the site use applets (rollovers, java, flash, etc.)? Do they compliment the site, or do they compromise effectiveness?

Does the page download quickly?

Are all links and insertions functioning properly?

/5

**Aesthetics**

Is there good contrast between words and background colours?

Is there visual consistency throughout the website?

Are there interesting graphics and images or just text?

Do images compliment the website's message? Are they quality pictures, or are they distorted?

Is there sound? Does the sound compliment the site, or does it become annoying after a while?
